

RAPE AFTER CONSENT:

COMPREHENDING DYNAMICS OF SEVERE SADISTIC SEXUAL ABUSE

Who Should Attend?

Recommended for clinicians, social workers, sexual assault response teams, attorneys, and law enforcement.

This training is also open to the public.

A request for MCLE credit with the State Bar of California is pending approval for 1.5 credit hours.

A request for 1.5 CEUs is pending approval with the National Association of Social Workers.

This panel discussion will address the phenomenon of "severe sexual sadism," and will review the practices of sexual predators who instigate non-consensual physical and sexual assault after first initiating sexual activity with a consenting partner. In addition to introducing the concept of severe sexual sadism as a clinical phenomenon, contributors will discuss varying definitions of sexual consent, sexual violence, and sexual assault.
