

TRANSFORMATION:

Conversations and Storytelling About Healing and Social Action

ENERGY

A STORYTELLING EVENT

"Energy" is the fifth event in our 2020-2021 "Transformation" storytelling series. The series features community organizers, advocates, healers, survivors, theorists, and artists. Each event in the Transformation series is intended to speak to our collective desire for deep social change, and to support us in finding the energy, strength, connection, and knowledge that we need in order to repair our world, and to heal ourselves and our communities.

Stories by Kellee Kemp, Marium Mohiuddin, Mey Sok, Tony Tolbert, Jorge Valenzuela, and Ashley Young

Hosted by Danette Wilson

Sunday, December 13th, 4pm PST/7pm EST

This is a virtual event, and is open to the public. Register and get details at:
